**NowoBrzmienia (New Sound) Festival** is a two-day festival promoting the ambitious, contemporary club music in Poland. The concept of "Night of Theaters" is very simple: one ticket for one evening. Only on this Saturday, all the theater programs in Wrocław are accessible by one multi-pass.

### The World As A Place Of Truth

14.06.2009-30.06.2009

This international theater festival is a part of the ongoing "Grotowski Year", the commemoration of the works of Jerzy Grotowski (1933-1999) and the celebration of his heritage at the occasion of the 10th anniversary of his death. The full program can be found at: [www.grotowskiiyear.pl](http://www.grotowskiiyear.pl) (EN). In this Wrocław Weekly, look for the sign [WPT] for the related events.
